HW (6.-13.4.) - EASTER

(v případě, že textu nerozumíš, pracuj se slovníkem/překladačem nebo mi napiš tady v Teams)

Hey there everyone,

Easter is almost here so I'm not going to assign you with another load of work for this week. You have done well so far so take a rest and check your Teams accounts daily (the best option is to install Teams app in your smartphones). We can play games like Kahoot and Minecraft or also try out first online English classes (more students are needed to be active in Teams). In case you need to ask me something or have some great ideas to share, feel free to write me a message.

Look forward to connecting soon, stay tuned, stay awesome.
